

VOLUNTEERS NEEDED!

Bring new life to a creek in your neighborhood!

Volunteer workday along Altamont Creek in Livermore

Join us for a planting day on the Altamont Creek in Livermore (Springtown neighborhood). We're planting several hundred native plants and we need your help!

The plants -- all locally-adapted native species grown from local seed -- will improve this section of creek on many levels! Not only will they beautify the creek and enhance habitat, but they will also improve water quality by preventing bank erosion.

Our little plants have been growing and gaining strength at the nursery, and now it's time to put them in the ground!
