WATERSHED LOOKOUT JUNE 2022

Photo by Jackie Charbonneau

Dear acwForum stakeholders, partners and friends,

We are taking a break until September, however, if you have something to share with the acwForum community, please email allison.rodacker@acrd.org and we will pass it on!

Events

**Thursday, June 9
5pm-6pm
Bring in the Pollinators!**

Free Webinar
Join the Clean Water Program to learn about pollinators. In addition to bees and butterflies, other pollinators like insects, birds and mammals are vital to sustaining our food supply and ecosystems. Learn who these garden visitors are and how to create safe environments to attract and protect them. We'll share pollinator-friendly gardening methods and introduce you to the wide variety of nectar and pollen-rich flowers and host plants to support pollinators throughout the seasons.

**Monday, June 13
Tuesday, June 14
Erosion & Sediment Control Field School**

Salmonid Restoration Federation is hosting an Erosion and Sediment Control Field School. This technical field course is part of our Northern California Best Management Practices Education Series funded by the California Department of Fish and Wildlife's Fisheries Restoration Grant Program. SRF is partnering with Pacific Watershed Associates, Five Counties Salmonid Conservation Program, and the Watershed Center to offer a technical workshop and field tour curriculum in Trinity County.
