

SYNCHRONIZING WATCHES:

WORKING SMARTER—TOGETHER— TO BRING GRANT DOLLARS TO ALAMEDA CREEK WATERSHED

Arroyo de la Laguna, November 2015 (NRCS)

- Learn about specific grant programs: eligibility, timing, and funding amounts—including Prop 1 funds
- Identify grants for your projects and programs involving restoration, stewardship, and watershed collaborations
- Engage with others seeking similar opportunities
- Presentations by Carl Morrison (Morrison & Associates), Kelly Malinowski (State Coastal Conservancy) and others

Small-group power session Come prepared with specific or general ideas about projects important to your organization and which contribute to enhancing the watershed!

January 26, 2016

8:40 - Coffee & networking 9:00 - 12:00 - Program Castro Valley Library: 3600 Norbridge Ave., Castro Valley
